Title: Take Heart Feradrim

Author: Ahspar

Dear Feradrim,

I am sorry that your
stay could not be
permanent. When I heard
that a Warrior Elf of
your fame was to live in
this house, my heart
leapt with joy. However
cruel circumstance once
again conspires against us
of the Elven race and as
I loose my house, you
also loose your home.

Do not let the humans
take away your dignity
Feradrim! You will find
your place in this world
or the next.
